Along with the education, CHARUSAT University is encouraging students to serve the nation and it aims at developing character, comradeship, discipline, and a secular outlook, the spirit of adventure, and ideals of selfless service amongst young citizens.

“This was not possible without the support of 2 Guj CTC commanding officer "**Lt. Col Satheesan R**" and the ANO "**Capt Krutika Devmurari**". and our **University Higher Authority and Faculties.** I am honored to say, the dedication that this youth has is extraordinary. Students from every university should be motivated to make their future in the armed forces.”

“Charusat not only gave me a platform to showcase my talent that I always had, but also its Sports and Cultural department was very supportive throughout my journey to RDC-2022. The respect that I earned today was only possible because of continuous support from our CTO, department Faculty and undoubtedly our seniors. "**Today I can proudly say that I am from Charusat**"”

We would like to thank our university as a whole for each and everything it did for us.”
